in a New Season

The Vision

- ▶ A different kind of school
 - ▶ Parent-based education
 - ▶ Christian focus across all disciplines
 - ▶ Prepare students for college

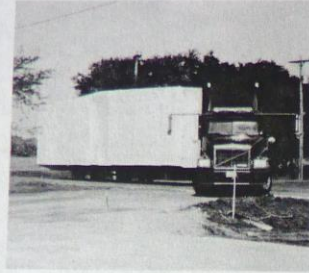

God's Provision for the Land

- ▶ Adjacent land was not for sale
- ▶ Elder of the church asked landowner about selling the land but he declined
- ▶ The Lord kept it on the hearts of the Elders and Pastor and they continued to pray
- ▶ Owner of the land finally agreed to sell at below market value

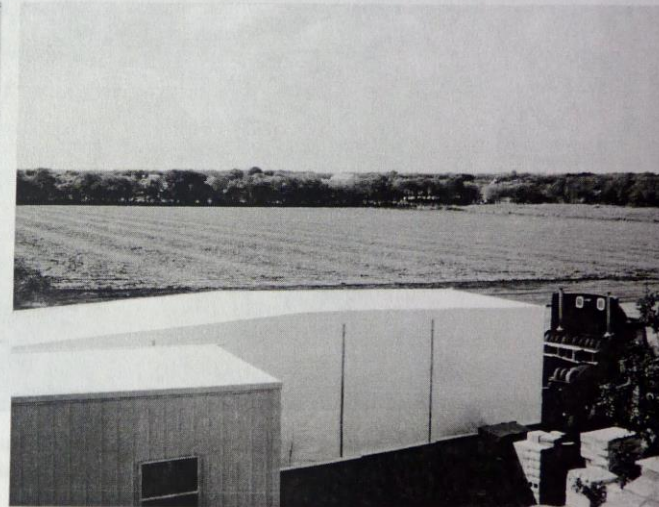

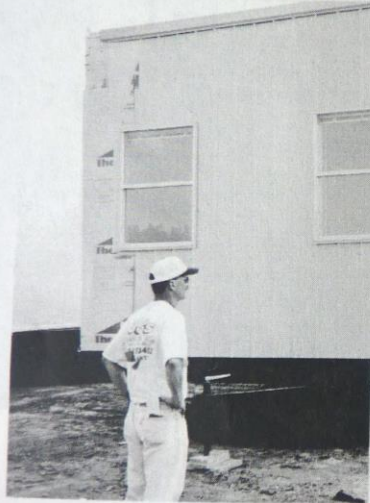

A University Model School

- ▶ In 2003 Lucas Christian Academy became a charter member of the National Association of University Model Schools (NAUMS)
- ▶ Classes are either two or three days a week at school
- ▶ Parents are the co-teachers on the satellite days

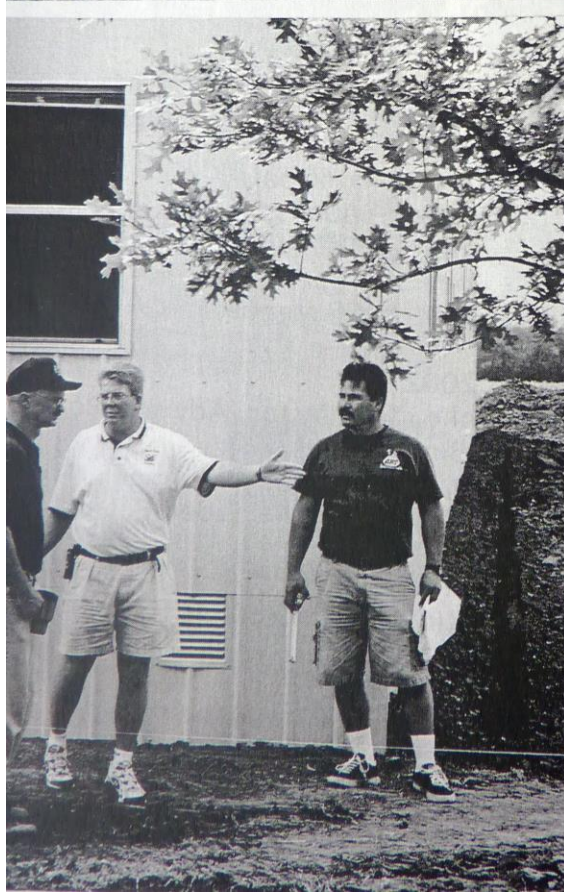

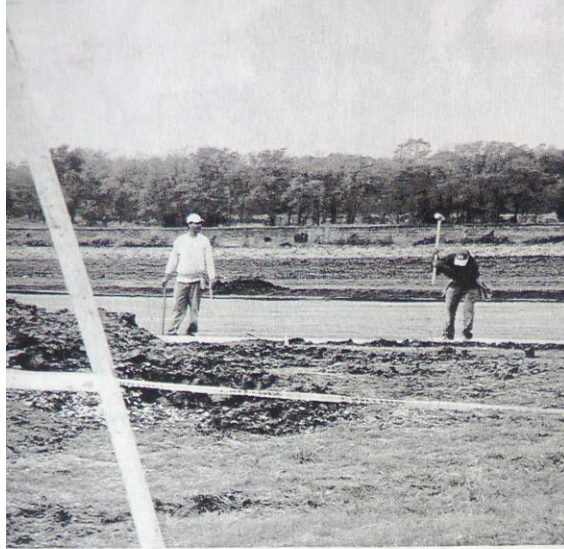

Under Construction

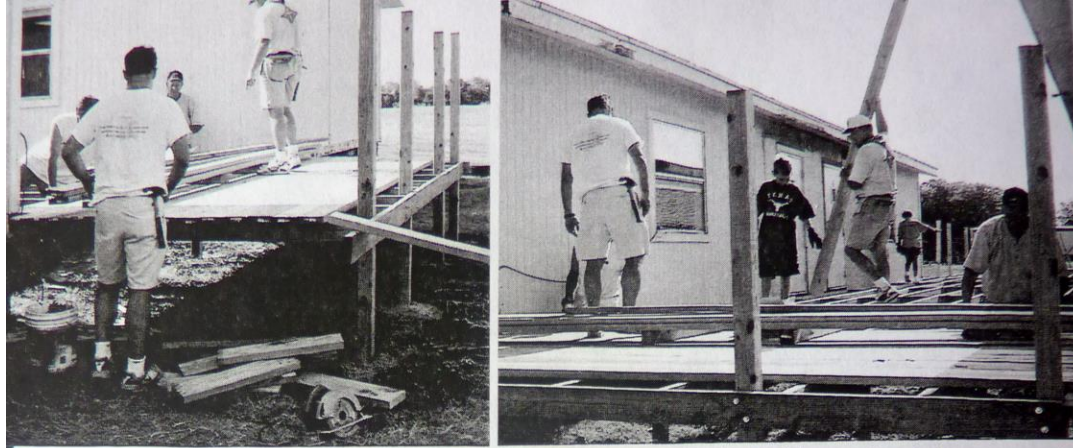

Where only a field existed before, a new educational building grew, along with an expansive new parking lot. Robert Spears, LCC Facilities Manager, supervised the progress.

Here it comes!!

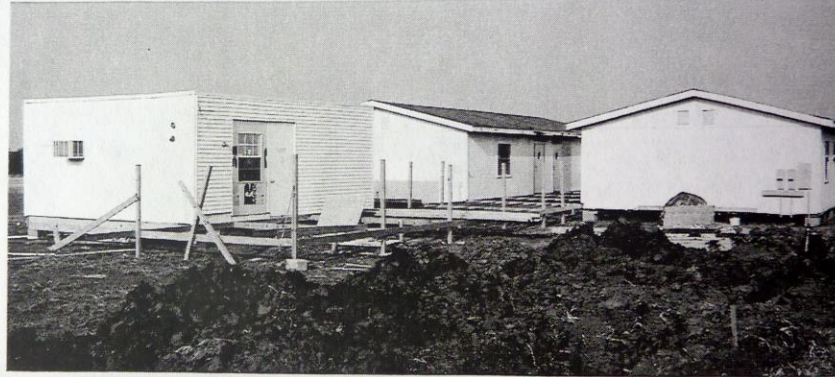

Facilitating needed expansion, several families help get new portable classrooms ready & build a wooden deck to connect them
